Home Environment

I offer a warm, loving, relaxed home environment that focuses on the needs and interests of each individual child. We have a designated playroom filled with resources, children's own bathroom, also a door leading to an outdoor space with trampoline, playhouse, climbing frame, bikes, scooters and much more.
I have a wide range of resources available for children of all ages, such as; puzzles, building blocks, magnetic tiles, dress ups, books, music and movement, arts and crafts, matching games, and dramatic play resources including a kitchen.

Community Involvement

We love getting out in the community with lots of walks in the local reserves, and trips to the many local playgrounds. Being able to walk across the road to the local school playground is a great bonus!
