Experience

I have been a Home Based Educator since 2015. I thoroughly enjoy the role and watching children grow and develop.

Home Environment

We have plenty of activities that engage children ranging from arts and craft to pretend play to car tracks. There's something for everyone.

We are a pet loving household and we have 2 dogs and 2 cats, all grown up with kids, inside and outside spaces.

Childcare Philosophy

I'm a strong believer in child led play.

Community Involvement

We go to the local park, visit libraries and attend HGK playgroups when we can.
