Experience

Hi, my name is Brenda. I have two children Levi and Kassie. I have been working as an Educator for many years. I enjoy working with the children and helping them become confident and competent learners.

Home Environment

I enjoy being flexible and having spontaneous outings in the community with the children, no two days are the same. I have a big fenced section for plenty of running, a sandpit, our outdoor area is where the play is unlimited. I enjoy seeing the children meeting their milestones and working with families as we work together towards their learning goals for their children.

Childcare Philosophy

My programme involves messy play, baking, learning about growing food, outdoor adventures and play groups are just some of the things on offer. I am always thinking about the different stage's children are at in their development as to what kind of resources and opportunities could help to expand learning.
