Experience

Hi, I'm Caroline, I am based in Island bay. I have been an in Home Educator for 20+ years and hold the NZ Certificate in ECE - Level 4 Qualification.

Home Environment

My home environment is open, and bright. I have plenty of resources for a range of age groups that I like to rotate, depending on the ages of children and their interests. I also enjoy doing arts and crafts with children.

Childcare Philosophy

I believe children learn best through play. I enjoy supporting their interests and sharing these with families on Story Park. I believe it's important to share the learning through photos, videos and sharing each child's journey.

Community Involvement

Outings and excursions are a part of my daily routine for my service. We attend playgroups, Chipmunks Playland, Tiny town, Zoo and local parks and playgrounds.

My car is equipped with car seats to suit every age group. Safety is very important to me when traveling with young children.
