## Experience

Hi, my name is Cheryl and I am a Home Based Educator living in the Rototuna, Hamilton area.

I have always loved working with children and have done so far for more than 20 years. I started my Home Based childcare journey when my own children were babies.

As well as preparing the children for school, we like to sing, dance, and do kids yoga and Zumba, etc.

I understand how difficult it is to place your child in care and I would like to make the transition as easy as possible for you and your child.

## Childcare Philosophy

I like to provide a relaxed environment where your child will be nurtured and cared for in a small group. I have a holistic approach to teaching the children in my care and encourage them to respect and develop a love for nature and all living beings. I encourage kindness and thoughtfulness toward each other.

## Community Involvement

We regularly attend outings and playgroups organised by our Kids at Home and Gingerbread Cottage team here in Hamilton. Attending the weekly gym sessions are also a highlight for us all.
