## Home Environment

In our day to day home based environment we visit another Educator regularly with a set up centre like but in a farm setting with pigs, chickens, guinea pigs, a goat, lambs, cats and a dog!

The environment is beautifully resourced with natural resources and resources that are built to last and a playground set up for outdoor fun and learning.

## **Childcare Philosophy**

Our programme in general supports child-led learning and play with kaiako support that is culturally responsive.

## **Community Involvement**

We regularly attend Kids at Home gymnastics, go for local walks, attend activities that follow the children's interests.
