Experience

Hi, I'm Diane, Qualified ECE Teacher with over 20 years of practical experience. I have both Centre based and Home Based care experience but love the flexibility and individuality that Home Based ECE offers families. I am Mum, Grandma and Foster Mum all rolled into one.

Home Environment

We have a lovely front yard with great indoor/outdoor flow. A beautiful large playroom which is well resourced supports the interests of children. There are regularly activities set up for children to explore and learn about while having fun. In the outdoor area there are swings, a slide, trampoline, bikes and a playhouse. There are plenty of opportunities for children to use their large muscles, run and play in a safe way.

Childcare Philosophy

I believe in calm, free flowing days, children are encouraged to be independent and respectful towards each other. In turn, they are treated respectfully by me.
