Taupo

Experience

My Name is Donna and I have 17+ years experience in childcare.

I have three daughters of my own and two gorgeous grandchildren.

I love my role of helping parents to enjoy going back to work knowing that their child is in a safe loving environment.

I'm still in contact with most of my families I have had over the years as they think of me as their second mum.

So if your looking for in-home childcare for your little one, feel free to get in touch via my profile.

Home Environment

I provide a warm, clean home where children can relax and have fun. Whether it's playing, baking or outside in the garden our days are filled with laughter and happy times.

Community Involvement

I enjoy taking the children in my care on activities in the local area and going on adventures on a daily basis.
