Experience

I am an experienced ECE and Primary Teacher with over 12 years of experience. I hold an NZQA assessed level 7 ECE and Primary and a Level 8 qualification in psycho-pedagogy.

Home Environment

There are separate play areas with plenty of age appropriate resources that cover all areas of knowledge. Meaningful provocations set up based on children's interests in order to support and extend their learning. Walks to local parks, yoga and music sessions, baking and sensory experiences, storytime etc.

Childcare Philosophy

I believe that children are very capable learners who need to be loved and respected. They learn through observing and interacting with their carers, peers and environment. An environment that makes them thrive is where things are carefully prepared and set up and adults understand the importance of their role model to children's lives.

Community Involvement

We attend storytime sessions, storytime at the Library and Tumbletime sessions.
