Experience

Welcome, my name is Janine and I love the philosophy and practice of Home Based education and care!

Every child is an individual and will be given the opportunity to learn and grow at their pace.

I also respect parent's values and will support their aspirations for their children.

In my home you will find love, warmth, respect and encouragement.

Whakawhetai koe hoki panui toku kotaha.

Home Environment

My home offers a warm, loving, caring environment where your child will be nurtured and given every opportunity to grow and to develop independence. I encourage children's strengths and encourage their growth and development, both socially and physically.

Community Involvement

I love getting out and about to explore our community and environment. We attend local playgroups, music groups and like to take the bus to the library. There are plenty of trips to the local playgrounds.
