## Experience

I am an ECE certified Home Educator with Home Grown Kids and I have 20 years of experience. I also have two older children of my own.

## Home Environment

I have a warm, loving and fun home environment in Wadestown, with maximum of four children a time. I have a great backyard space with slide, cars, bikes and a playhouse. I also have and two little dogs and two cats. We love having music on, reading books, playing with the train tracks, dinosaurs. Outdoor play when the weather suits.

I am also a ceramic artist and enjoy incorporating pottery from time to time into the children's learning. It's a calming and creative outlet we enjoy.

## Childcare Philosophy

I believe children thrive when they feel safe, respected, and genuinely cared for. My approach to childcare is relationship-based and responsive, guided by each child's individual needs, interests, and stage of development. I value warm, secure attachments and aim to provide a calm, nurturing, home-like environment where children learn through play, exploration, and everyday experiences. I support child-led learning while gently extending children's skills through routines, conversation, and shared activities, and I guide behaviour with patience, empathy, and understanding. I

value open communication with whānau and am committed to providing inclusive care aligned with the principles of Te Whāriki.

## **Community Involvement**

---

We go for walks locally, at Otari, and sometimes further afield. We also go to a lot of the local play areas.
