Experience

I'm Michelle, a fully qualified Early Childhood Teacher with over 25 years of experience.

My teaching journey has taken me through Steiner and private kindergartens before finding my true passion in home-based care. I hold a current First Aid Certificate and am proud to be working alongside Kids at Home, an organisation that supports quality care with weekly playgroups and fortnightly play gym sessions.

If you're looking for a calm, respectful, and enriching learning space for your tamaiti, I'd love to hear from you.

Ngā mihi,

Michelle

I look forward to the opportunity to meet with you and discuss home-based care with Kids at Home!

Home Environment

Our home is on a quiet street in Nukuhau directly across from a lovely reserve — perfect for nature walks and outdoor play. We also have a child-friendly little dog and a cat who are very much part of our warm and welcoming environment.

Testimonials

My partner and I really don't have the words to describe how happy we are with Michelle. I spent an hour or so

with our little one there yesterday morning to get her comfortable. Then throughout the day as well as today, we have received so many photos of all the activities the kids are doing. Our daughter was so comfortable there this morning and ran off to play straight away which I wasn't expecting so soon. You can really tell that Michelle cares for the kids and loves engaging with them, she really is a godsend
