HOMEGROWN KIDS

Tiaki ngā tamariki

Experience

Talofa lava, my name is Larricia,I'm a 28 year old live out Nanny looking for a new role.

I am a very proud Aunty who absolutely loves being around tamariki of all ages.

I have experience working with children from newborn to 15 years of age and love being part of their growth and journey - seeing their smiles is such a blessing.

I'm family orientated, love going to church, and enjoy volleyball and heading to the gym.

I am currently working as a manager at an afterschool care programme so have morning - through to around 1.30pm daily free. I would love to become part of an amazing whānau to provide expert love, care and learning.
