Experience

Hi, I'm Nicole. I have a number of years experience as a Home Based Educator and as a Mum. I am located in the Rosedale area so areas in and around might suit your family needs.

Home Environment

We have a large two story home with a beautifully well equipped kitchen perfect for cooking and baking with the littlies. We have a fully fenced section with plenty of room to play and ride bikes outside, important for physical development. We have a lot of crafts, toys for imaginary play and building. There is also loads of outdoor equipment for children to enjoy and experience.

Childcare Philosophy

I believe a child's day should be filled with peace and joy. Children should be encouraged to explore everything. This is how they learn their limits, their boundaries and what they enjoy. I believe it is my job to show children new and exciting things outside their normal world.

Community Involvement

We love to head outdoors with the children exploring as much as possible. Trips to playgroups, music groups, bush walks, playgrounds. I like to explore surrounding areas with children like Gem stone beach, Riverton, Bluff, Gore.
