Experience

I'm Priya, a kindergarten teacher with 4 years of experience and First Aid certification. I am passionate about encouraging and engaging children through play, and I take great pride in my profession.

Home Environment

A warm, welcoming, and kid-friendly home in a prime location, within walking distance to Tawa Library, parks, playgroup, and the swimming pool.

I offer fun and engaging activities such as water play, playdough, crafts, sensory play, music, and singing, encouraging children to dance, explore, and be creative.

Childcare Philosophy

I believe in creating a warm, safe, and nurturing environment where children feel encouraged to explore, play, and express themselves. I focus on engaging activities—both indoors and in the community—that foster creativity, curiosity, and social skills. I respect each child's individuality and aim to support their growth with patience, care, and positivity

☐ A warm, welcoming, and joyful home where every child is cared for like family. ☐

Community Involvement
