Experience

Kia ora, my name is Shaynah, and I am a home-based Educator in Omokoroa. I am looking forward to meeting you and your children and welcoming you into our home.

As a mother of two young children, it was difficult for me to find suitable care for my children, and I absolutely loved the idea of home-based care which felt like the perfect opportunity to help other families also. Both of my children started in Home Based care and I loved the one on one time they spent with their carer and watching their development in learning and social skills through Kids At Home.

Being a working parent previously, I absolutely understand the hours revolved around work and childcare and I am more than happy to discuss your requirements with you.

Home Environment

No day will be the same in our home as I like to experience many different activities from arts and crafts, drawing and painting, nature bush walks, going to the playgrounds, playgroups, and gymnastics to baking yummy treats.

Community Involvement

As I have a full license, we do head out to explore all the wonderful things Omokoroa and Tauranga has to offer.
