Experience

Kia Ora my name is Steph, I am Mum to 3 children. Tai, my oldest was in home-based care when he was a baby so I have experienced both sides, as a care parent and an Educator.

I have been part of the Kids at Home Team since May 2022. I graduated Wellington Nannies College when I was 19, worked as a Nanny for a bit then my life changed course and I ended up in Hamilton where I have now lived for the past 15+ years.

Home Environment

I am in Forest Lake, a great central location and attend Kids at Home gym sessions and playgroups where possible. At home we have a variety of indoor-outdoor toys and equipment, books, puzzles and arts and crafts for the children to explore and create with.

I am available during term time and in the school holidays. We have no pets.

Childcare Philosophy

I lead my programme with empathy and compassion, I believe how we talk to our children contributes to their mental health/inner voice as they grow up. Your child's thoughts, feelings and emotions will always be validated under my care.
